EASILY MANAGED & PRIVATELY TUCKED AWAY - WALK TO Highbury

With a careful eye for detail and an emphasis on retaining its period 1920's architecture, this beautifully restored, spacious two bedroom early bungalow is the perfect solution for busy working couples or semi-retirees seeking an easily managed property, plus all the fun and simplicity of living so near the Bridge, City and the cafe scene in Birkenhead.

Tucked privately behind fencing, the sun-baked flat yard and entertainment area is perfect for firing up the BBQ, or simply pottering in the easy-care garden. Parking is well catered for up to three vehicles.

Inside, the cast iron fireplace & formal lounge are a relaxing tonic to a busy day, with wide polished floors, loft storage, tiled bathroom, cosy heat-pump air conditioning and modern kitchen completing this exciting package.
